

2019 VRCA Member of the Year Award

Nomination Form

The VRCA Member of the Year Award recognizes outstanding achievement by a company in the construction industry that has prioritized quality, safety and team collaboration in job performance, and displays pride in their work. The nominated company should also have made a significant contribution to VRCA through years of continuous membership, involvement in various VRCA committees and/or involvement in VRCA programs and events.

Nominations must be submitted on this form and the package should include a one page description outlining why this company is being nominated, a brief company history/overview and minimum two (2) reference letters with contact information. [Click here](#) to review the Nomination Criteria.
