

VRCA Awards²⁰¹⁹ of Excellence

2019 Safety Award

Nomination Form

The Safety Awards are designed to honour those contractors who have maintained a superior safety record during the course of the year. The Safety Award will be based on a contractor's claims experience record with WorkSafeBC. The categories for the awards are as follows:

- | | |
|---|--------------------------------|
| <input type="checkbox"/> General Contractor | 10 - 49,999 person-hours |
| <input type="checkbox"/> General Contractor | 50,000 - 99,999 person-hours |
| <input type="checkbox"/> General Contractor | 100,000 - 199,999 person-hours |
| <input type="checkbox"/> General Contractor | 200,000 or more person-hours |
|
 | |
| <input type="checkbox"/> Trade Contractor | 10 - 49,999 person-hours |
| <input type="checkbox"/> Trade Contractor | 50,000 - 99,999 person-hours |
| <input type="checkbox"/> Trade Contractor | 100,000 - 199,999 person-hours |
| <input type="checkbox"/> Trade Contractor | 200,000 or more person-hours |

Special recognition will be given to those companies who have zero accident frequencies in their respective categories. To nominate your company, please complete and return this form authorizing WorkSafeBC to release the information on your company's claims experience record to VRCA for the purpose of determining the winning entries. We encourage all members to submit applications for this prestigious award.

We, _____ hereby authorize WorkSafeBC to release the required information pertaining to our Claims Experience record to the Vancouver Regional Construction Association for the purpose of establishing our ranking for the VRCA Safety Award.
